

The rider is an attachment to the contract

The band always tries to conduct a concert at the highest artistic and technical level, however, appropriate conditions should be met.

Parking

We travel by a large, 7.5-meter long bus. Please provide a parking space close to the club / stage for the duration of the performance, as well as a guarded parking space at the hotel.

Backstage

Please provide a separate room, with no access by outsiders. There should be a table and seats for 8 people, a hanger, a large mirror, lighting sufficient for makeup, toilet. Please provide juices, drinks, still water, snacks, fruit, etc. in the dressing room. Min. 10 bottles of beer and 1 bottle of red wine. On stage, please provide 8 half-liter bottles of still water in plastic bottles.

Meal

8 warm meals including: 6 meat dishes, 1 vegetarian dish, 1 vegetarian dish without wheat!

Hotel

Accommodation with breakfast for 8 people paid by the organizer. Rooms with bathrooms.

Ideally, all rooms should be single. If this is difficult to meet, 3 double rooms with bathrooms (separate beds) and 2 single rooms with bathrooms.

Safety regulations

Please comply with health and safety regulations, provide the artists and sound engineer with appropriate personal protection. It is the organizer's responsibility to keep the safety of the equipment during the rehearsal, concert or between the rehearsal and the concert.

Audio and video recording

Any audio or video recording of the concert performed at the request of the organizer should be agreed with the manager of the band.

Entrance tickets

Please assure a few free tickets. The list of people entitled to free admission to the concert will be presented by the band's manager before the performance.
